### Disclaimer

This document does not represent legal interpretation, guidance or advice of the Bureau. While efforts have been made to ensure accuracy, this presentation is not a substitute for the rule. Only the rule and its Official Interpretations can provide complete and definitive information regarding requirements. This document does not bind the Bureau and does not create any rights, benefits, or defenses, substantive or procedural, that are enforceable by any party in any manner.

The pages that follow illustrate, in calendar form, the process and timing of disclosures for an example real estate purchase transaction under the TILA RESPA Integrated Disclosure rule that will become effective on **August 1, 2015**.

For the purposes of this example, we have made the following assumptions:

- The Creditor is not open for business on Saturdays.
- The property is located in a State where consummation is the day of closing, or signing of documents, between the Consumer and Seller.
- All parties are targeting a closing date of October 29.
- The Consumer's application is received by the Creditor on Monday, August 3, 2015.

Days with bold borders signal either triggers for requirements or satisfaction of disclosure obligations.

The calendar is not intended to show all of the events that can occur during the course of a real estate sales transaction. Only examples of events that could have an impact on disclosures are described. There may be other events that have an effect on the timing and responsibilities of the Creditor concerning the disclosures. In some instances, the events that are described in this calendar may not have an effect on the timing and responsibilities of the Creditor. For more complete information, please see Regulation Z § 1026.19(e) and (f) and its commentary, which contain additional examples.
